

Winter. Day 14.

Santa is \_\_\_\_\_, Santa is real  
Santa is \_\_\_\_\_, Santa is real

Ever since I can remember  
I get jolly in \_\_\_\_\_  
I look good in ugly sweaters  
No one can rock 'em better  
I gain 15 pounds a season  
Blame Santa, he's the reason  
I bake cookies just to please  
him  
Ho, ho, ho, 'tis the season

So what you need? More proof?  
Santa's real  
He on the roof  
Yeah, he got the bag on his back  
What's he 'bout to do?  
Drink that cocoa up and fly  
across the world just for you

I believe in \_\_\_\_\_  
I \_\_\_\_\_, don't you?  
I believe in \_\_\_\_\_  
I \_\_\_\_\_, don't you?  
I believe in \_\_\_\_\_  
Not just in December, baby  
I believe in \_\_\_\_\_  
I \_\_\_\_\_, don't you?

Put my tree up in \_\_\_\_\_  
'Cause shopping then is better  
Fake snow, L.A. weather  
My trees stay lit forever  
Stay young and stay believin'  
My \_\_\_\_\_ spirit's beamin'  
'There ain't no better feelin'  
Ho, ho, ho, 'tis the season

So what you need? More proof?  
Santa's real  
He on the roof  
Yeah, he got the bag on his back  
What's he 'bout to do?  
Drink that cocoa up and fly  
across the world just for you

I believe in \_\_\_\_\_  
I \_\_\_\_\_, don't you?  
I believe in \_\_\_\_\_  
I \_\_\_\_\_, don't you?  
I believe in \_\_\_\_\_  
Not just in December, baby  
I believe in \_\_\_\_\_  
I \_\_\_\_\_, don't you?
