Hi! I'm Tom. I'm 20. I'm from Portugal but I live in the USA with my friends. I'm a student of medicine at Columbia University. I also work as a receptionist in a local hospital. I love my job.

I usually get up very early. I have classes in the morning and I study alone in the afternoon. In my free time I read books about medicine. I usually run in the park and I go to the gym, too.

And you? Write to me!
