

A snowy winter day

It's a cold day in winter. Lucy and Sally are playing in the garden. They're wearing their warm mittens and hats and their anoraks. They're very happy because it's snowing. They like snow. They are making a big snowman. It's a beautiful snowman! The girls have a red hat, a yellow scarf a long carrot and two black buttons for the snowman.

Blacky, their dog, is playing with them in the snow. Oh no! Blacky is jumping on the snowman. The children are very sad. They've got a hat, a scarf, a carrot and the buttons but they haven't got a snowman now.
