**PART II. Read the three texts about sports experiences. For each question, choose the correct answer. (1 point each. Total: 7 points)**

Jeanne:

We did lots of team sports at school, like football, volleyball, and hockey. But I'm not very fast or strong, so I couldn't hit or kick a ball hard. Often, members of my team laughed at me, and so I stopped playing sports as soon as I could because it upset me. But later I learned that you could get exercise without other people around. Now I sometimes go cycling, swimming, and running, but always on my own. Then no-one can get mad at me when I'm slow!

Laura

I used to do every sport I could when I was at school. I loved the exercise, and I also liked being a member of a team. We had some great times together. We travelled to matches by bus and had parties when we won. Then I was in a terrible car accident three years ago, and I hurt my leg. It still isn't better. It's made me really unhappy. The only sport I can do is fishing, and that's so boring! But a friend of mine has suggesting going sailing. It sounds fun, so I think I'll try that.

Thea

I don't mind team sports. I'm quite good at baseball and cricket, but I prefer doing sports when there aren't lots of other people making noise, laughing, and telling jokes. That's why I like surfing. It's just me and the sea and a few other people who also like quiet, beautiful places. I think I would enjoy horse-riding and skiing too, for the same reason, but those sports are expensive. I already spend a lot travelling to different beaches with my board.

1. Who doesn't have enough money to try sports that she's interested in?
- a. Jeanne      b. Laura      c. Thea

2. Who plans to try a new sport soon?  
a. Jeanne      b. Laura      c. Thea
3. Who is unable to do the sports that she enjoyed in the past?  
a. Jeanne      b. Laura      c. Thea
4. Who only enjoys sports she can do alone?  
a. Jeanne      b. Laura      c. Thea
5. Who made a lot of friends by doing sports?  
a. Jeanne      b. Laura      c. Thea
6. Who only enjoys playing sports with others if they aren't too loud?  
a. Jeanne      b. Laura      c. Thea
7. Who had unhappy experiences when playing team sports?  
a. Jeanne      b. Laura      c. Thea

**PART III. Read the three texts about the climate in Madagascar on a travel website. Mark the sentences True or False. (1 point each. Total: 7 points)**

## Madagascar – When to go

Madagascar has two seasons, a warm, wet season from November to April, and a cooler dry season between May and October. However, different parts of the country have very different weather.

The east coast is hotter and wetter, with up to 4000mm of rainfall per year. In the rainy season, there are strong winds, and these can cause a lot of damage. Avoid visiting eastern Madagascar between January and March because the weather can make road travel very difficult. The dry season is cooler and more pleasant.

The high, central part of the country is much drier and cooler. About 1,400 mm of rain falls in the rainy season, with some thunderstorms, but the summer is usually sunny and dry, but it can be cold, especially in the mornings, with freezing showers, and it may snow in mountain areas above 2,400m, and even stay there for several days.

The west coast is the driest part of the island. Here, the winter months are pleasant with little rain, cooler temperatures, and blue skies. The summers can be extremely hot, especially in the southwest. This part of the country is semi-desert, and only gets around 300mm of rain per year.
