Read the passage and answer the question. (1m)

Each country has its own special traditions and customs just as individuals have their own habits and daily routines. Many people find it difficult to get used to the customs of another country when they go abroad. For example, in some Asian countries, people do not usually finish everything on their plates, because it is a sign that they have not had enough to eat. Visitors from the West find it difficult to get used to this, because they usually eat everything up to show that they liked it. When an Asian host sees their empty plates, he usually assumes that they want more.

21. Does each country have the same special traditions and customs?

_____

22. Why don't people finish everything on their plates in some Asian countries?
