Why are you vegan?

Vegan diets are good for the world. They are also good for our health. I think a lot of people think the same way. I also love animals, so why would I want to eat meat? I want to be kind to animals.

Is your diet healthy?

Yes, it is. Every morning, I eat a lot of fruit. I like bananas and oranges best. I also have bread and a cup of coffee – without milk. At lunchtime, I have pasta. I always have a lot of vegetables, but I like carrots best. In the evening, I have rice and more vegetables. After school, I buy crisps and vegan chocolate and eat them on the bus.

Do you eat fast food?

The vegan pizza in my local cafe is really good, so I often order that with salad. They have vegan chicken too, but I hate it. This kind of vegan food is becoming very popular. The problem is, they put a lot of salt in some products. I don't like this because it tastes bad.
