2 Read the text below:

Last weekend, Emily and her friends went on a spontaneous road trip. They drove for hours, enjoying the scenic views and stopping at interesting places along the way. Emily forgot to mention where they went and what they explored. She was so excited about the trip that she didn't provide many details. Now, everyone is curious to learn more about their adventure.

**Now, answer the questions to gather missing information about Emily's road trip.
Be creative, specific and give complete answers!**

Where did Emily go on the road trip? _____

Who went on the trip with Emily? _____

What places did they explore during the journey? _____

How did they entertain themselves during the trip? _____

When did they decide to go on the road trip? _____
