THE FUTURE OF ENGLISH

Languages change when they come into contact with other people and cultures. English, for example, has lots of words from Latin, **1** _____ is the language that the Romans spoke. For similar reasons, English has **2** _____ words that come from German and French – but these changes took place very slowly.

In the 21st century, the world is a different place, and changes are happening very fast. We travel and **3** _____ business with each other, our news **4** _____ to us on our smartphones, and we watch **5** _____ same movies. We also use more and more of the same words in different languages.

Experts who **6** _____ languages say it's not **7** _____ that everyone will speak the same language, but it is not very likely. However, there may be some kind of 'International English', a very simple form of English which doesn't have **8** _____ of the problems of normal English like irregular verbs and difficult spelling.

But everyone's own language is important for their culture, and people will always work very hard to keep it alive.

1	**A** when	**B** which	**C** where	**D** who
2	**A** much	**B** many	**C** lots	**D** a little
3	**A** make	**B** do	**C** have	**D** let
4	**A** come	**B** comes	**C** coming	**D** came
5	**A** all	**B** a	**C** the	**D** that
6	**A** study	**B** memorise	**C** practice	**D** revise
7	**A** informal	**B** incorrect		
	C irregular	**D** impossible
