

## Student A - Lifestyles

A. Write questions using the prompts below. Also, create three more questions of your own at the end.

In the next 30 years...	Student B	Student C	Student D
... robots - do the housework? <i>Do you think robots will do the housework?</i>			
... cars - use batteries instead of petrol?			
... students - have robot teachers?			
... clothes - look completely different?			
... more people - be homeless?			
... people - work less hours?			
... people - still shop in supermarkets?
