   .....

5. Read the conversation. Then, circle True (T) or False (F).

In the English class, teacher Sue asks the class about their favorite subjects…

- Jimmy, what is your favorite subject?
- Hmmm, it is hard to choose… Let me see. I like Music very much.
- Oh, Music is nice. Why do you like this subject?
- I always love to sing. In our Music class, we also learn to play the guitar.
- That's great! I don't know that you can play the guitar, Jimmy.
- Well, I cannot for now. But I try to practice every day.
- I think you will know how to play soon. Next time, bring your guitar to the class and sing an English song for us.
- Sure, next time I can sing for you! But the guitar is at my grandma's house, so I cannot bring it. Oh, teacher, I love English too.
- I'm glad to hear. Why do you love English?
- Because your English lessons are always interesting. You're a great teacher!
- That's so sweet. Thank you, Jimmy.
