Let me know if you can come. Loads of mates from school are coming.
Hi Chris, It's gonna be awesome! Paul

I'm having a barbeque at my house next Saturday afternoon to celebrate the end of term.

I can't make it – sorry! Hi Chris, Yvonne Sorry!

I messed up– I forgot it's my best friend's birthday!

He's having a party so I have to go and congratulate him.

Thanks for inviting me to the Arsenal-Liverpool game on Saturday.

Anyway, hope you'll have a great time at the match.

Or can we come as anyone? It's gonna be awesome. Hi Ted, Imogen

I'm really into fancy dress.

Thanks very much for the invite to your fancy dress party on Halloween.

Is there a theme? I'll be there for sure.
