

WHITE CHRISTMAS by Lady Gaga

I'm dreaming of a _____ Christmas
just like the ones I used to know.

Where the treetops glisten and children _____
to hear sleigh _____ in the snow.

CHORUS

I'm dreaming of a white, white, white Christmas
with every Christmas _____ I write.

May your _____ be so merry and bright
And may all your Christmases be _____.

I'm dreaming of a white _____
with a _____ nose and charcoal _____
and when he cries I'm going to tell him: "it's ok
because _____'s on his _____, and he's on his way"

CHORUS
