

Night of the Outage (Past Continuous: Interrupted Actions)

Amy, Tom, and Danielle were chatting in the cafeteria, sharing how their dinners, movies, and laundry got messed up when the power went out suddenly.

Amy : Hey, what were you guys doing last night before the power went out?

Tom : Well, I was cooking dinner when suddenly everything went dark.

Danielle : I was watching a movie in my room when the power outage happened.

Amy : Oh, that's so frustrating! I was in the middle of doing my laundry when the power cut off.

Tom : Yeah, it was such bad timing. I was about to finish my delicious pasta dish.

Danielle : I know, right? I was just getting to the best part of the movie.

Amy : And I had only one more load of laundry left to do. Ugh, it was such an inconvenience.

Tom : But the worst part was that I was about to call my mom when the power went out. She must have been so worried.

Danielle : Yeah, I was going to text my friend back about our plans for the weekend when everything went dark.

Amy : It seems like we were all in the middle of something important when the interruption happened.

Tom : Well, I guess we'll just have to make up for it tonight.

Danielle : Agreed, I have some catching up to do on that movie.
