

- 1) Match the **first** part of these sentences with the correct **second** part and obtain **rules to form past simple**. Then, put an **example** of each one:

Verbs ending in <i>-E</i>	Double the consonant and add <i>-ED</i>
Verbs ending in <i>consonant + -Y</i>	Add only <i>-D</i>
Verbs ending in <i>single vowel + single consonant</i>	Change the <i>-Y</i> into <i>-I</i> and add <i>-ED</i>
