

1 Listen, point, and repeat.  82

2 Listen and read.  83

Does it float or sink?

Some objects float to the top of water.
Some objects sink to the bottom. Why?

Is the object light? The toy ducks have air inside. They are light. The toy ducks float on the top of the water.

Is the object heavy? Stones don't have air inside. They are heavy. The stones sink to the bottom of the water.

3 Read and circle *a* or *b*. 

1. Why does it float?
 - a. There is air inside.
 - b. There is water inside.

2. Why does it sink?
 - a. It is light.
 - b. It is heavy.

4 **Think!** Which objects are light and float? Which objects are heavy and sink? Make a poster.

5 Look and color.
