There are **a few** jars of water.
There is **a little** water.

1 Look and write *a few* or *a little*.

1 

_____ bottles

2 

_____ baking soda

3 

_____ water vapor

4 

_____ gum candies

5 

_____ pairs of safety glasses

6 

_____ drops of food coloring

2 Read and circle the correct options.

Sophia: Let's do (1) **a few** / **a little** more experiments!

Emma: Great idea! Are there any gloves?

Sophia: Yes, there are (2) **a few** / **a little** pairs in that cupboard.

Emma: Cool! First, let's see what happens when we mix baking soda and vinegar. I'll put (3) **a few** / **a little** baking soda into this jar.

Sophia: OK, and I'll pour (4) **a few** / **a little** vinegar into the jar. Look! It's exploding!

Emma: Cool! Let's do another experiment! Let's pour (5) **a few** / **a little** cold water onto some ice cubes and see what happens.

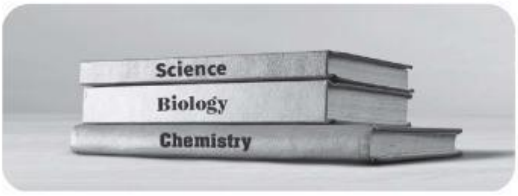

Sophia: There are (6) **a few** / **a little** ice cubes in this dish. I'll pour some cold water over them. Wow! The water has frozen! Instant ice!
