

ACTIVITY 7

Are You Social Media Smart	
Look at each of the Social Logos. Write the name of each social media, then answer the questions according to your experience: • What can we do on? • On a given day, how much time do you spend in this social media? • Do you think this social media is the best application in recent years? Why? Don't forget to write complete sentences that answer the previous questions.
