

	TRUE	FALSE
I use the underground to go to the city centre		
I go to school to buy bread, meat and fish		
In the clothes shop I can buy skirts, shirts, dresses, jeans...		
I go to the bank when I need money		
The chemist's sends pills, alcohol, medicines, masks...		
In the ironmonger's I can buy tools, nails and candles		
I go to the park to buy shoes, boots and bags.
