

## Capitalization

Capitalization means using capital, or upper-case, letters.

We use capital letter for :

- The word I.
- The beginning of the sentences.
- Days of the week
- Months of the year
- Names of people
- Names of direct location (any place, countries, cities , continents, regions, villages and streets )
- Languages

### Example :

**On Friday, I** play soccer with my friend **Mohammed** in **Rahat**.

### A. Write the sentences again using the correct capitalization.
