

Stage 9 – Unit 10 – Topic 3: What have you been doing?

1. Read the entries on a school website. Match the school subjects that the students are talking about.

What have you been doing at school this term?

'We've had loads of homework this term and we've been learning our lines for the school play so we've been really busy.' *Amir*

'We've played in two inter-schools volleyball matches and we've won both of them, so our sports teacher is over the moon at the moment.' *Jade*

'We've written the words and music for a song. We're going to perform it this week.' *Alfie*

'I'm usually quite good with figures but we've been doing probability this term. I couldn't get my head round it to begin with but I'm beginning to get the hang of it now.' *Daniel*

'We've been working on an interesting project about ecosystems in South America. We've got to finish it off in the next couple of days because we've got to hand it in this week.' *Amelia*

'This term we've been learning about the Impressionist painters. We've had a go at doing an Impressionist picture ourselves.' *Lamin*

'We've been learning some poems by heart. I've really enjoyed it. There was one called "Let no one steal your dreams". It was the best ever!' *Fatima*

- | | |
|-----------|-----------------------|
| 1. Amir | a. PE |
| 2. Jade | b. Music |
| 3. Alfie | c. English/Literature |
| 4. Daniel | d. Maths |
| 5. Amelia | e. Geography |
| 6. Lamin | f. Drama |
| 7. Fatima | g. Art |

2. Look at the cartoons. Match each one to a student's entry in Exercise 1.
