Grace and Frankie S1 Ep 13

Read the conversations. Fill in the gaps with at or in.

- Why would I break up with the nicest man the world? He's funny and kind and he's crazy about me, plus he smells nice.
- There's a lot to like about Guy. - There is, and I do.
- But you don't love him. - I know.
- But Frankie, if I break up with him, there's a good chance I'm going to be by myself for the rest of my life. I mean, I know you're going to be here and all, but...

- Did you do your **vows**? - Aw, jeez.
- Six days.
- Sol, are you sure we have to write our own vows?
- I mean, there's something to be said for being part of a tradition that's been going on for thousands of years.

- Maybe you're not very good this breaking up thing. Did you do it in English? Did you do it out loud? Was he in the room?
- Yes! I broke up with him! There's no other way to interpret what I said. We broke up!
- Well, somewhere between last night and this morning, you got unbroken up. Oh, wow!
- What?
- We must be **witnessing** the **incredible** power of **denial**.

- Is there somebody else?
- No, of course not! It... It's just that I'm coming out of a 40-year marriage, and I don't know what I want.
- Yeah. And you need time to **figure** that **out**. Yeah, I get that. Well, I'm not gonna lie to you and tell you I'm not hurt.
- I'm so sorry. I really am.
- Yeah, well, me, too. I'm not going to let you keep me from hoping that... you know, some day in the future you might...
- Absolutely.
- Right. Well, you don't wanna wait too long because we are our 70's. ?

- Don't be scared. - Oh, God! Sol.
- You could have **given me a heart attack.**
- I was trying to not scare you. - Well, you're terrible that.
- What the hell are you doing here, and give me back your key.
- What are you doing here?
- I'm, uh... was looking for Frankie.
- I thought she was with you.

- Birdhouse. Oh, yeah. I'll take that. It's the closest I'm going to get to having my own place.
- Oh, man! You... see... You told me that you **buried** this, man.
- What have you guys got over there? - Um, well...
- Well, you remember when you used to say, you know, "Where'd my vase disappear to?" or "What happened to my crystal dragon?"
- Well, the answer is that probably one of us broke it and hid it this box.
- Is that what happened to my grandmother's little Dutch boy?
- Hello, Hans.
- Oh, yeah. I broke that one.
- So you knew about this box.
- Yes, but they didn't know that I knew, so I'm still a good parent.
- Well, I'll tell you what, I'm gonna take all of this, I'm gonna break it more, and I'm gonna make a mosaic for each and every one of you.
- That's really sweet.

- **Out of nowhere** this man I had a thing with just **bubbled up**. I hadn't thought about him years.
- What made you think about him?
- It made me realize what could be and what wasn't, and I thank you for that.
- Glad to be of help.
- No, seriously, Frankie. I wish you had a you to help you, but you don't. You only have me.
- Great, the blind leading the blind.
- I think you're blinder. Certainly deafer.
- But here we are, sitting in the same sand.
- Yeah. - Come on, let's go home.
