I can see (A2) / (B1) many / a lot of /  
(B1) people: policemen and black people.

The scene (= se déroule) in the street in the  
USA maybe (A2) / (B1) in the 1960's (= nineteen  
sixties).

In the background, there are racist graffiti on the wall and  
in the middle "Whites only" (est écrit)

On the left, the policemen (ont l'air) violent and  
determined to attack ..... the black activists  
who look nonviolent and quiet.

On the right, people are holding signs where slogans **are**  
**written** ..... the policemen / .....\* (\*familiar =  
les flics) are holding **weapons** / ..... (fusils).
