## Money Phrasal Verbs

Look at the phrasal verbs in the following examples.

Then match them with the correct definition

<p>A Hey, Lisa! I'm trying to save up for a trip to Europe.</p> <p>B That's great, John! How much do you have so far?</p>	<p>A I need to take out a loan to buy a new car.</p> <p>B Make sure to compare interest rates and terms before you decide.</p>
<p>A It took me a while, but I finally paid off all my credit card debt.</p> <p>B Congratulations, Emily! That's a huge accomplishment!</p>	<p>A My parents are going out of town next week. Can you look after my dog, Max?</p> <p>B Sure, no problem! I love dogs and I'll make sure to take good care of him.</p>
<p>A I always put away 20% of my paycheck into my savings account.</p> <p>B That's a smart habit to have, Mark. It will come in handy for emergencies.</p>	

look after

to give someone all the money you owe them, especially when this is a large amount.

take out

to take care of someone or something.

save up

to keep money for future use, usually by putting it in a savings account.

pay off

to remove something from a place or container.

put away

to store something in its proper place after using it.
