

Idiomatic emphasis

A lot of adjectives can be made 'stronger' by the addition of another word or words. In most cases, these words are used as a substitute for *very* or *extremely* (sometimes because *very* and *extremely* do not collocate (= *work*) with the adjectives that are being used).

For example: I'm awake = I'm **wide** awake / I'm warm = I'm **as** warm **as** toast

Complete the sentences with a word that emphasises the adjective / adjective phrase in **bold**, and write your answers in the crossword grid on the next page. Some of the letters are already in the grid. Note that in some sentences more than one answer may be possible, but only one will fit in the crossword grid.
