

THE STORY OF THE THREE EGGS

Once upon a time there were three eggs. One was big, the other strong and the other small. The biggest egg was blue and brave. The strongest egg was green and fat and finally the smallest egg was the most colourful and beautiful. One day, Mr Bunny went to the forest to find them but it wasn't an easy task since the forest was full of leaves and they were hidden in different places such as; behind the trees or even up on the branches. Mr Bunny had one mission, recollect as much as eggs as possible in order to distribute all of them to the children. Could you please help Bunny to find them? But first, Did you understand how they are?. Let's check it!
