Treating a Sprained Ankle

- Sit or lie down with your ankle up high. Keep it higher than your chest.
- Put ice on your ankle. Keep the ice on for 20 minutes ONLY. Do this every hour of the day.
- Put an elastic bandage around your ankle. Watch the video *How to Wrap Your Sprained Ankle* on the Spring Medical Center website. Keep the bandage on your ankle for 24–36 hours ONLY.
- Don't walk on your sprained ankle.
- Call this office if you have questions.
