● f us \_\_\_\_\_

**Read the story quickly. Answer the question.**

The Smiths have a big cat, Molly. Molly is loud and playful, but always friendly and gentle. One cold day Molly sees two small, quiet rabbits in the yard. They're cold and alone.

Molly carries the rabbits to the door and meows. They're scared. The Smiths come out. They make a big and warm cage for the rabbits to sleep in. The rabbits are happy. They're gentle, and Molly likes them.

Sometimes they play with Molly in the yard, and they never fight.

1. What animals does the cat see?

-> .....

2. How is Molly different from the rabbits?

-> .....

3. How is Molly the same as the rabbits?

-> .....

4. What does the cat do after seeing the rabbits?

-> .....

5. How often do the rabbits play with Molly in the yard?

-> .....
