

LISTEN TO THE AUDIO IN THE GROUP CHAT AND COMPLETE THE INTERVIEW.

Presenter: Welcome to What's On. Today's program is about how had fun in the past and how they do now. Julia, you're now a Can you think back to when you were a teenager? What did you do in your spare time?

Julia: In the , when I was a teenager I used to my friends for hours and hours.

Presenter: Did you use to talk on the ?

Julia: Of course not! We didn't use to have telephones at so I used to visit my friends or they visited me. We used to play We also collected things – I used to collect for example.

Presenter: Where did you use to go ?

Julia: We loved going to Boys used to ride bikes to the park and girls used to take food to have there.

Presenter: And what about the younger ? Tommy, you are 15. How do teenagers these days?

Tommy: We also have lots of Most teenagers have a now, and we use it to text our friends and chat with them Also, I listen to music on mine, and I love too. I take hundreds every day!

Presenter: That's interesting Tommy. But do you ever actually your friends in person?

Tommy: Of course! We often go to at the weekend. Also, I love with my friends.
