

Question 6.1

This question features **three** excerpts of music from the same genre.

- Listen to this excerpt and identify **two** terms from the list below which describe what you hear. The excerpt will be played twice.

bridge	through-composed
harmonics	walking bass
mezzo-soprano	

- Listen to this excerpt paying particular attention to the brass section and describe in detail a **stereo mic'ing technique** you would use to achieve a similar recording of a brass section. Justify your choice.

- Listen to a short continuation of the last excerpt, and follow the electric guitar part printed below. Do not attempt to write anything during this first playing.

Identify the articulation marking(s) in the first bar. You will hear the excerpt two more times.
