- A funny experience
- An embarrassing moment
- A treasured memory

*One of the most embarrassing moments of my life **was** when I **fell** down in front of all my classmates. It **happened** in 2010, when I **was** at school. Our Chemistry teacher **was** absent and we **were playing** inside the classroom and behaving badly, so the supervisor **came** to take us to the gym. While **were going** down the stairs my best friend **flipped** my skirt up and I **got** very angry. Some minutes after, when we **were arriving** at the gym, I **decided** to kick him in the butt in front of everybody to embarrass him and take revenge. I **ran** a few meters towards him and **tried** to kick him but I **miscalculated** the distance, **slipped**, and **fell** to the floor on my bottom. I **blushed** instantly and everybody **laughed** at me. I **ended** up making a fool of myself. That was one of the worst moments at school.*
