Lesson 9 / There's A Fire

1 Watch, listen and enjoy.

"There's A Fire"

Stop getting me off track.
I mean it, there's a problem here.
This time it is for real...
how can I make myself more clear?

I never say quite what I mean, and never mean quite what I say,
and how did that get out of me, and what the hell did I mean to say?

This time it is for real.
This is a real emergency.
This time I swear it is the truth...
this must be dealt with urgently!

I never say quite what I mean, and never mean quite what I say,
and how did that get out of me, and what the hell did I mean to say?

There's a fire. There's a fire.

I really mean it now,
this time I swear I have not lied.
This isn't like the last time...
I swear to God I have not lied!

I never say quite what I mean, and never mean quite what I say,
and how did that get out of me, and what the hell did I mean to say?

There's a fire. There's a fire.
