Lesson 13 / Bang Bang by Nancy Sinatra

goals

Past simple (irregular verbs, would and used to) was/were or did mine, yours, hers, etc

1 Watch, listen and enjoy.

"Bang Bang (My Baby Shot Me Down)"

I was five and he was six
We rode on horses made of sticks
He wore black and I wore white
He would always win the fight

Bang bang, he shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, my baby shot me down.

Seasons came and changed the time
When I grew up, I called him mine
He would always laugh and say
Remember when we used to play?

Bang bang, I shot you down
Bang bang, you hit the ground
Bang bang, that awful sound
Bang bang, I used to shoot you down.

Music played, and people sang
Just for me, the church bells rang.

Now he's gone, I don't know why
And 'til this day, sometimes I cry
He didn't even say goodbye
He didn't take the time to lie.

Bang bang, he shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, my baby shot me down...
