Reading Passage:

Tom's Hobby

Tom is a thirteen-year-old boy who loves outdoor activities. His favorite hobby is gardening. He spends most of his free time tending to his garden at home. Tom enjoys planting flowers, vegetables, and herbs. He loves seeing the plants grow and taking care of them.

Tom's garden is filled with colorful flowers such as roses, tulips, and sunflowers. He also grows tomatoes, carrots, and basil. Tom takes pride in his garden and often shares the vegetables and herbs with his neighbors.

Tom's parents are proud of his gardening skills. They encourage him to learn more about plants and even bought him some gardening books. Tom dreams of becoming a botanist one day and exploring different species of plants around the world.
