

### Activity 3

Ceramic Capacitor

Potentiometer

Resistor

LDR

Ali and Abdulla have collected electrical components to make a poster for their science lab.  
Help them to complete the poster below.

| Component Picture | Component name | Type | Measuring Unit |
|-------------------|----------------|------|----------------|
|                   |                |      |                |
|                   |                |      |                |
|                   |                |      |                |
|                   |                |      |                |
