

PROVINCIAL AUTHORITIES

Pay attention to the Teacher and complete the information.

In a province the _____ is the authority. They are appointed by the President of the Republic

Provincial authorities

The province of Pichincha does not have a governor because the Presidency is in Quito

Each province has a _____ elected by popular vote

The authorities' responsibilities

- *Construct and maintain roads and highways¹.
- *Monitor the protection of the environment².
- *Supply the population with basic services³.
- *Promote tourism⁴.

It is important for us to get organized to fix the street.

We need to hold a meeting with the authorities to solve this problem.

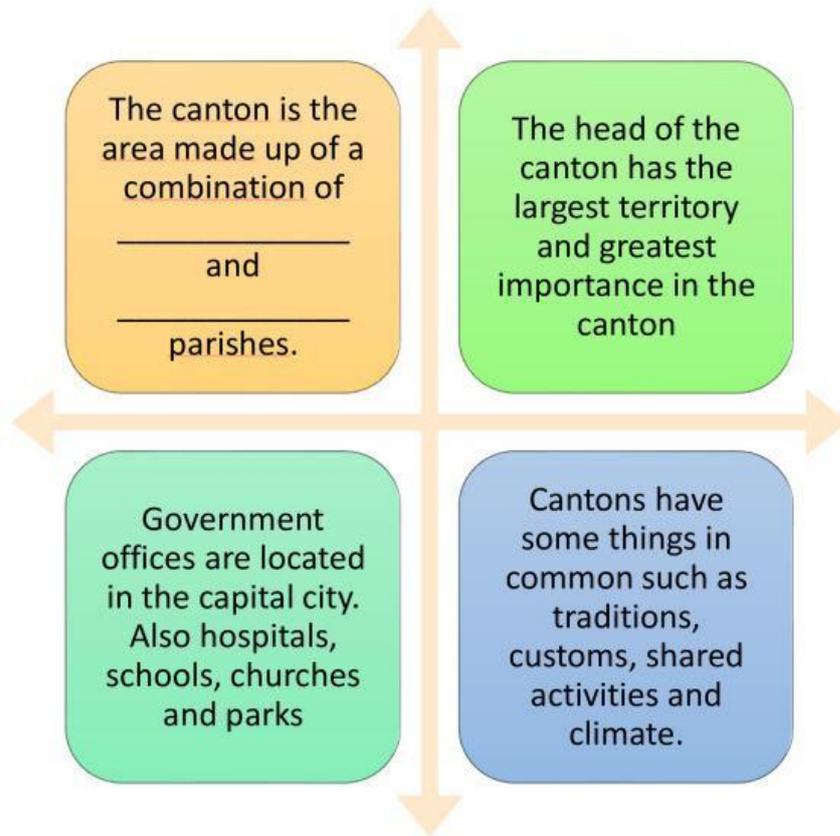

CLASSWORK

Look at the pictures. Draw and color the task missing in the space at the bottom. Write the activities that the provincial authorities do in each case.

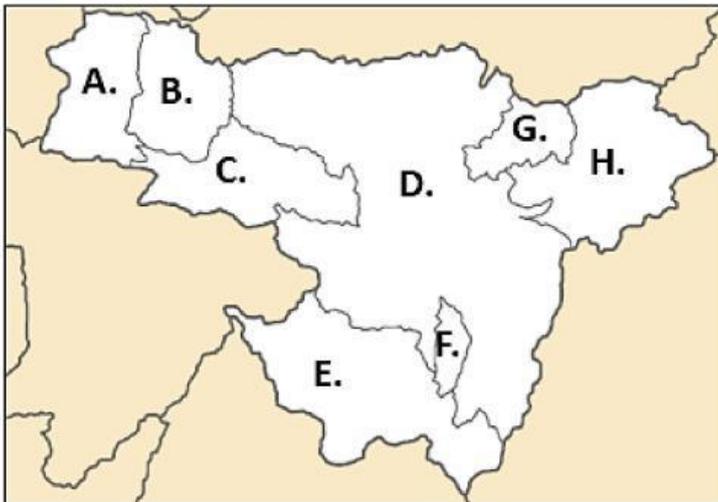

Supply the population with drinking water
