Hello! My name's Jack. I had a very strange day yesterday. I saw a little girl outside while I was walking home from school. She was crying when I saw her and she was looking up at a tree. She was talking to something in the tree. While I was looking at her, she turned and saw me.

"Please help me!" she said. "I was playing with my cat when it ran out of my garden. It was chasing a bird when it ran up this tree. Now I can't get it down!" I wanted to help, but the tree was very high. A man arrived while I was looking up at the cat. He was carrying a ladder.

"I was going to work when I saw you," he said. "Do you need help?"

The man was climbing the ladder when the cat saw him. The cat was scared. While the man was trying to get the cat, it jumped out of the tree! It made a loud noise. It scared the man and he fell off his ladder. While the man was lying on the ground, the cat ran to the little girl. I was helping the man when my cell phone rang. It was my mom. She was calling because I was late getting home! The man was OK, so we said "Good-bye" to the little girl. The little girl was smiling when we left. She was holding her cat.
