## Be suspicious if . . .

Theme: **Banking and Finance**

Every day, people become victims of scams. Protect yourself from becoming a victim by being suspicious of any communication you receive that makes you wonder if it's something or someone you can trust. Listen below for some reasons to **be suspicious**.

### Instructions:

Click on the audio files below and fill in the spaces with the words you hear. Spell as best you can.

### 1. Spelling mistakes

- ▶ Be suspicious if there are spelling mistakes in emails or text \_\_\_\_\_.
- ▶ Be suspicious if email & \_\_\_\_\_ addresses are not \_\_\_\_\_ correct.

### 2. Money transfers

- ▶ Be suspicious if someone you don't know asks you to send \_\_\_\_\_ by e-transfer.
- ▶ Be suspicious if someone you don't know asks you to use \_\_\_\_\_ cash called Bitcoin.

### 3. Personal information

- ▶ Be suspicious if someone you don't know \_\_\_\_\_ your personal information.
- ▶ Be suspicious if someone \_\_\_\_\_ a copy of your \_\_\_\_\_.
- ▶ Be suspicious if someone wants to know your \_\_\_\_\_ Insurance Number.

### 4. Uninvited calls or messages

- ▶ Be suspicious if someone calls or \_\_\_\_\_ you to say you have a \_\_\_\_\_ on your computer.
- ▶ Be suspicious if someone offers to "help" you if you let them on your \_\_\_\_\_ remotely.
- ▶ Be suspicious if someone wants to show you \_\_\_\_\_ inside your bank account.
