A Frane Selak is called the “luckiest unlucky man to ever live.” Complete the information about Frane with the words in the box.

Frane had many _____. That was _____. But he _____. That was _____. That was _____.

B Read the question and answers on the left. Watch the video. Then put the events in order from 1 to 7.

What unlucky things happened to Frane?

- _____ His car went off a mountain road.
- _____ He was in a plane crash.
- _____ He was in a bus crash.
- 1** _____ He was in a train crash.
- _____ His car burst into flames.
- _____ A bus hit him.
- _____ His car burst into flames—again.

Why was he lucky?

- a. A door blew off, and Frane landed in a haystack.
- b. Frane only broke his arm.
- c. Frane jumped free.
- d. Four people were killed but not Frane.
- e. Frane survived.
- f. Frane jumped out and landed in a tree.
- g. Frane survived (but with less hair).

C Why was Frane lucky each time? Watch again. Match each event (1–7) with a reason (a–g).

D Answer the questions with a partner.

1. What lucky thing happened to Frane in 2003?
2. Why is Frane the luckiest unlucky man to ever live? Explain in your own words.
