**Read the following passage and mark the letter A, B, C or D to indicate the correct answer to each of the questions.**

Life in the big city is face-paced, fun and exciting. There are countless job opportunities and activities to occupy your time. However, with the good, there also come the bad. Although the big city has more job opportunities, there are also more people competing for a single job. This can make your job search frustrating. Oddly enough, you will see hundreds, if not thousands of jobs available each week, but you still might remain unemployed, especially when the economy is down. In addition, the cost of living is typically higher in big cities, and it can **cost you an arm or a leg** for a small apartment in a decent area of the city, not to mention other costs to fulfill your basic demands. Moreover, traffic

can be a nightmare in the big city. It can get so bad that it can turn you into an evil person. If you hate driving in heavy traffic, then the big city life is not for you. Heavy traffic also contributes to the pollution, which is one of the biggest disadvantages of living in the city. Obviously, our health is affected most with certain diseases relating to respiratory system. Most importantly, there is always more crime in a big city, causing you to seriously consider before making your final decision on living in a big city.
