Completa el texto de la lección usando las palabras del recuadro. Si necesitas lee el nuevamente.

ride - taxi - by - foot - plane- car - in - cruise - drive - miss - buses - take - transport

How do I travel?

I use different means of _____ depending on the activity I have to do and the distance I have to travel.

When I go to work I prefer to _____ my car so I can avoid crowded _____ or trains. I enjoy listening to classical music while I'm _____ the car. Going by _____ allows me to relax before a hard day of work.

On the weekends, I like to _____ my bike through the different trails I can find in my city. There are some places where I need to go on _____ because the terrain is not good for bikes. Sometimes, I also like to _____ a train and visit nearby cities, however I have to be careful not to _____ the last train to go back home. If that happens, I would need to take a _____ to return, and that would be very expensive.

On vacation, I am excited to travel to a nice destination. I have to confess that I'm afraid of the sea, so I don't like being on _____ ships even though they are fancy and have everything you want for a great vacation. If I have to travel to a distant country, I do it _____ plane. Once on the _____ , I enjoy watching a movie or reading a book.

Well, that's how I travel. How about you?
