Loving can _____, loving can hurt sometimes

But it's the only thing that I know

When it gets _____, you know it can get hard sometimes

It is the only thing makes us feel alive

We keep this love in a _____

We made these memories for ourselves

Where our _____ are never closing

Hearts are never broken

And time's _____ frozen still

So you can keep me

Inside the _____ of your ripped jeans
Holding me closer 'til our eyes meet
You won't ever be _____, wait for me to come home
Loving can heal, loving can _____ your soul
And it's the only thing that I know, know
I _____ it will get easier
Remember that with every piece of ya
Hmm, and it's the only thing we take with us when we die
Hmm, we keep this _____ in this photograph
We made these memories for ourselves
Where our eyes are never closing
Hearts were never broken
And time's forever frozen, still
So you can _____ me
Inside the pocket of your _____ jeans
Holding me closer 'til our eyes meet
You won't ever be alone
And if you hurt me
That's okay, _____, only words bleed
Inside these _____, you just hold me
And I won't ever let you go
Wait for me to _____ home
Wait for me to come home
Wait for me to come _____
Wait for me to come home
Oh, you can fit me
Inside the _____ you got when you were sixteen

Next to your _____ where I should be

Keep it deep within your soul

And if you hurt me

Well, that's okay, baby, only words bleed

Inside these pages, you just hold me

And I won't ever let you go

When I'm away, I will _____ how you kissed me

Under the lamppost back on Sixth street

Hearing you whisper through the phone

" _____ for me to come home"
