Ooh, hey-hey, aw

What _____ livin' in?

Let me _____ ya

And it's a wonder men can eat at all

When things are big that should be _____

Who can tell what magic spells we'll be doin' for us?

And I'm givin' all my _____ to this world

Only to be told

I can't see, I can't breathe

No more will we be

And nothin's gonna _____ the way we live

LIVEWORKSHEETS

'Cause we can always take, but never give

And now that things are changing for the _____, see

Whoa, it's a crazy world we're livin' in

And I just can't see that half of us immersed in sin

Is all we have to give these

Futures made of _____ insanity, now

Always seem to be governed by this love we have

For useless twisting of our new _____

Oh, now there is no sound

For we all _____ underground

And I'm thinkin' what a mess we're in

Hard to know where to begin

If I could slip the sickly ties that earthly man has made

And now every mother can choose the colour

Of her _____, that's not nature's way

Well, that's what they said yesterday

There's nothin' left to do but pray

I think it's time I found a new religion

Whoa, it's so insane to synthesize another strain

There's something in these futures that we have to be told

Futures made of virtual _____, now

Always seem to be governed by this love we have

For useless twisting of our new technology

Oh, now there is no sound

For we all live underground, whoa

Now there is no _____

If we all live underground

LIVEWORKSHEETS

And now it's virtual insanity

_____ your virtual reality

Oh, there's nothin' so bad

Ooh, of this virtual insanity we're living in

Has got to change, yeah

Things will _____ be the same

And I can't go on while we're living in, oh

Oh, virtual insanity

Oh, this _____ has got to change

'Cause I just, I just can't keep going on

In this virtual, virtual insanity

That we're livin' in, that we're livin' in

And a virtual insanity is what it is

Yeah, ooh

Futures made of virtual insanity, now

Always seem to be _____ by this love we have

For useless twisting of our new technology

Oh, now there is no sound

For we all live underground

Oh, futures made of, now, virtual insanity

Now we all, we seem to be governed by a love

For these _____ twisting of our new technology

And now there is no sound, for we all live underground

Yes, we do, oh
