

Ficha de ejercicios

Una según corresponda a la relación entre las multiplicaciones y divisiones.

$$35 \div 7$$

$$48 \div 8$$

$$63 \div 9$$

$$80 \div 10$$

8 x 10

7 x 9

6 x 8

5 x 7

Resuelve las divisiones para una cifra.

A place value chart with columns for thousands, hundreds, tens, and ones, separated by a vertical line. Above the thousands column are the digits 7, 6, 0, and 9. Above the hundreds column is the digit 8. The chart contains several empty boxes for digits, with some boxes having small blue minus signs next to them, indicating borrowing. The chart is divided into four sections by a vertical line and a horizontal line.

Resuelve las divisiones para una cifra.
