- a. Read the personal letter below carefully.

South Jakarta, 14th August 2022

Dear My Friend, Rizki Nugraha

I'm very glad to write this letter to you. How is your school bro? Here in South Jakarta, we are preparing for the Independence Day celebrations.

First, we are going to have some sports competitions like soccer, volleyball and many more. The winning team will receive some money as a prize. I'm going to play and the soccer competitions.

Then, I'm going to have a wayang show on the night before Independence Day. The dalang will perform all night long, that sounds good right? Btw, have you ever seen a wayang show? It is very entertaining lho.

What are you plans for the Independence Day celebration? Please write back and tell me ya my bro!

Your bestie,

Sandy

- b. Answer some questions about the information that you got from the letter above!
1. Where was the letter written?
 2. Who is the recipient's name of the letter above?
 3. What is the possible relation between the sender and the recipient?
