R7.1 Revision 3

LISTENING and DRAW LINE

A. Do you want (1)_____ _____ (see) a photo of my cousin's graduation?

B. Yeah, show me!

A. Here you are.

B. So that's your (2)_____?

A. Yes, she's called Suzy.

B. She looks very formal! And very happy!

A. Yes. She's (3)_____ got her degree. She studied Engineering.

B. Cool. Who are those two men?

A. They're Andy and David. Andy's just (4) _____, like Suzy. He studied Engineering too.

B. Oh, right.

A. David's a year younger than Suzy. He'll (5)_____ next year. He's studying Geography.

B. Why's he wearing sunglasses? The sun isn't shining.

LIVEWORKSHEETS

A. No. He's got a (6)_____ with his eyes. He's going to have an operation on them next week. The doctors say he'll be fine after that. And he won't need the sunglasses (7)_____ more.

B. Oh, that's good.

A. Look, that's Jane. She's my (8)_____. She and her husband Jim have just had a baby, so that's my little cousin Billy.

B. Is he cute?

A. I guess so. He doesn't do much. He just cries and sleeps.

B. Well, that's (9)_____ for a baby. He'll get more interesting!

A. Yeah. Look, that's my Uncle Oscar. Look at his (10)_____!

B. Wow! He's an actor, isn't he?

A. Yeah, that's right. He appears in films. He does some theatre work too. Oscar Chivers, he's called. He doesn't usually have a beard like that, but he's playing the part of a wizard at the moment so he's grown it really long.

B. It suits him, actually, I (11)_____ like it!
