REFLECTION:

What are sequence connectors?

1. **Read.**

**WRITING: connectors of sequence:
FIRST, NEXT, THEN, FINALLY.**

- We use the connectors of sequence to order events .
- The correct order is : **First**,.... **Next**, ...
Then,.... **After that**, **Finally**
- For example:
- **First**, I woke up.
- **Next**, I went to school by bus.
- **Then**, I arrived to school.
- **After that**, I came back home and watched TV.
- **Finally**, I went to sleep.

2.- Order the events. Then rewrite the story in your notebook using connectors.

Jack's mom throws the beans away and the beanstalk grows.

Jack sells the cow for beans.

Jack stole a hen and a harp from the giant.

Jack runs down the beanstalk with the harp and hen, then chopped down the beanstalk.

Jack climbs up the beanstalk and takes the golden harp and a hen
