Hi Terry,

Today we made our park nice again!

We picked up all the trash and planted some pretty flowers. We cleaned the rock pool so that insects and other animals can live in a better place. We also put up new signs that say, "Don't feed the birds" because sometimes people give them bad food and they can die. Now we can protect them.

In the afternoon my dog got stuck in a tree! My dad had to rescue him.

I think we have the best park in our town now.

Come and see it soon!
