Album research project

In pairs, research your album to present to the class.

Topics to cover include:

1. When and where was it recorded? (month, year, studio)
2. What songs/singles are on the album?
3. Does the album tell a story?
4. Who wrote each of the songs? (Lennon/McCartney, Harrison, Starr)
5. Which instruments were used in the songs?
6. What was the artwork like? (photography, artwork, combination)
7. How does it fit in with the Beatles' other albums?
8. What impact did the album have? (charts, tours, use in other media)
9. If there was a film attached, what was the film like?
10. What is your favourite track from the album and why?
11. Any other unusual facts about the album?
