SEEING THE SIGHTS IN WELLINGTON, NEW ZEALAND

Kia ora everyone! I have learnt a new word! How exciting! Kia ora is Maori language and it means hi or hello.

This is my first day in Wellington; the capital city of New Zealand and I am thrilled. I've never been to Wellington so I am eager to explore. I have just finished riding the cable car which is similar to tram as they both run on electricity but cable car is only used to go uphill. The sight was breathtaking. They were magnificent! I could see the town when we reached the top of Botanical Garden. Mom really loves the garden as the flowers were blooming in spring.

Now we are following the Lord of the Rings Tour that includes the Weta Cave where the CGI for the film was made and I was able to see Lord Sauron! I was blown away with the statues and technology displayed there. We plan to go to the Museum of New Zealand Te Papa Tongarewa after this to see the exhibit. I do hope we won't be too famished I really look forward to visit the museum. Until next time everyone.
