

I'm Rav and I'm British

There are some really good meals in my country. Here are three of my favourites.

English breakfast

This is a hot breakfast. My mum cooks it for me at the weekend. You can have different things for this breakfast, but I like some sausages, two eggs and a tomato.

Fish and chips

People usually order this meal from a restaurant. But my dad makes the best fish and chips in the world! There's always some fish in the fridge at my house because he cooks fish and chips for the whole family every Friday.

Chicken and rice

Is there any chicken on the menu at my house? No, there isn't. But there is some chicken and some rice at my aunt's house. She cooks this meal for me when I visit her. There's always a lot of food so she gives me some to take home!
